- 3. A "party in interest" is the person or persons making the claim and any person who might be required to take action or against whom action might be taken in order to resolve the claim.

- 2. Nothing herein contained shall be construed as limiting the right of any Member having a grievance to discuss the matter informally with any appropriate member of the Administration or line supervisor, and having the grievance adjusted without intervention of the Association, provided the adjustment is not inconsistent with the terms of this Agreement.

C. Procedure

- 1. Since it is important that grievances be processed as rapidly as possible, the number of days indicated at each level is considered as a maximum and every effort shall be made to expedite the process. The time limits specified may, however, be extended by mutual agreement.
- 2. In the event a grievance is filed at such time that it cannot be processed through all the steps of this grievance procedure by the end of the school year, and, if left unresolved until the beginning of the following school year, could result in irreparable harm to a party in interest, the time limits set forth herein shall be reduced so that the grievance procedure may be exhausted prior to the end of the school year or as soon thereafter as is practicable.

- e. If new evidence is obtained in support of such grievance after the hearing at Level Three, the Association shall notify the Superintendent, in writing, at which time the grievance shall return to Level Three. It is understood that no penalty shall accrue to the Association because of the failure of any administrative officer to render information properly requested by the Association and which the Association is entitled to receive.
